THE PANTRY

Wellness Beverage

PROGRAM

Air Foam

THB 180

Light, aromatic foams add a delicate texture and sensory finish to refreshing fruit-based beverages.

CUCUMBER APPLE

Crisp cucumber and green apple meet lime, with a light cucumber foam finish.

INGREDIENTS
Fresh Cucumber, Fresh Green Apple, Apple Juice, Lime Juice, Cucumber Air Foam

WELLNESS BENEFIT
Fresh cucumber contributes water, and lime juice adds vitamin C. Both make this a refreshing choice on a warm afternoon.

TAMARIND GINGER

Tangy tamarind and apple juice meet an aromatic ginger foam.

INGREDIENTS
Tamarind Purée, Apple Juice, Ginger Air Foam

WELLNESS BENEFIT
Tamarind pulp contributes fibre, which helps keep digestion regular. The amount depends on how finely the purée is strained.

02

Infused Ice Cubes

THB 180

Naturally infused ice introduces colour and gradually releases flavour as it melts, creating an evolving drinking experience.

COCONUT BUTTERFLY PEA

Coconut water and soda create a light sparkling drink, with lime and butterfly pea ice that releases colour as it melts.

INGREDIENTS
Coconut Water, Soda, Lime Juice, Butterfly Pea–Infused Ice Cubes

WELLNESS BENEFIT
Coconut water supplies fluid and potassium, an electrolyte that helps muscles and nerves work normally.

ROSELLE ORANGE

Orange juice and soda meet roselle ice for a sparkling drink with gradually developing colour and flavour.

INGREDIENTS
Orange Juice, Soda, Roselle-Infused Ice Cubes

WELLNESS BENEFIT
Orange juice provides vitamin C. Enjoyed with a meal, vitamin C helps the body absorb iron from plant foods.

Protein & Healthy Shakes THB 250

Creamy, satisfying blends featuring fruit, plant-based milks, protein powder, and, in selected recipes, Greek yoghurt. These beverages offer a substantial refreshment between meals or after exercise.

BANANA PEANUT

A creamy banana and peanut blend with almond milk and protein powder.

INGREDIENTS
Banana, Unsweetened Almond Milk, Peanut Butter, Chocolate Protein Powder

WELLNESS BENEFIT
Banana supplies carbohydrate for energy. Peanut butter and protein powder add protein to support muscle repair after activity.

AVOCADO MATCHA

Avocado gives this matcha and almond milk protein shake a rich, velvety texture.

INGREDIENTS
Avocado, Unsweetened Almond Milk, Matcha Protein Powder

WELLNESS BENEFIT
Avocado adds fibre and mostly unsaturated fat. Matcha protein powder supplies protein that helps maintain muscle.

STRAWBERRY CHEESECAKE

A strawberry and Greek yoghurt protein shake with oat milk, vanilla and a bright lemon-zest finish.

INGREDIENTS
Strawberries, Greek Yoghurt, Oat Milk, Vanilla Protein Powder, Lemon Zest

WELLNESS BENEFIT
Greek yoghurt and vanilla protein powder supply protein for muscle maintenance, while strawberries contribute vitamin C.

PUMPKIN SPICE

A creamy pumpkin protein shake with oat milk, Greek yoghurt and warming cinnamon.

INGREDIENTS
Cooked Pumpkin, Oat Milk, Plain Greek Yoghurt, Vanilla Protein Powder, Cinnamon Powder

WELLNESS BENEFIT
Pumpkin provides beta-carotene, which the body converts to vitamin A to support normal vision. Greek yoghurt adds protein.

BLACK SESAME

A nutty black sesame protein shake, rounded with banana and almond milk.

INGREDIENTS
Black Sesame, Banana, Unsweetened Almond Milk, Unsweetened Protein Powder

WELLNESS BENEFIT
Sesame seeds contribute unsaturated fats. Banana provides carbohydrate, and protein powder supports muscle repair.

MOLECULAR

Wellness Cocktails

THB 180

Non-alcoholic creations featuring delicate pearls and fruit-based collagen jelly.
These elements introduce playful textures and visual interest while complementing the refreshing fruit flavours.

Collagen Pearls / Jelly

C IMMU

A bright yuzu and citrus drink
with peach pearls that add a delicate burst of texture.

INGREDIENTS
Yuzu, Orange, Peach Pearls, Honey, Lemon

WELLNESS BENEFIT
Yuzu and orange contribute vitamin C, which supports normal immune function. The peach pearls add a burst of flavour.

GLUTA-X COMPLEX

A Mixed Berries drink with lychee pearls that introduce a delicate, fruity texture.

INGREDIENTS
Mixed Berries, Lychee Pearls, Honey, Lemon

WELLNESS BENEFIT
Mixed berries contain plant compounds called polyphenols, including natural pigments that give berries their rich, deep colours and support collagen production.

FIBERRY

A crisp green apple and cucumber drink
with apple collagen jelly for a soft, playful texture.

INGREDIENTS
Green Apple, Cucumber, Rose Collogen Jelly, Honey, Lemon

WELLNESS BENEFIT
Cucumber contributes water. Keeping the green apple pulp in the drink also provides fibre for regular digestion.

ZTEM BERRY

A mixed berry drink with strawberry collagen jelly for
a fruit-forward flavour and soft jelly texture.

INGREDIENTS
Mixed Berries, Strawberry, Lemon Collagen Jelly, Honey, Lemon

WELLNESS BENEFIT
Strawberries provide vitamin C, which helps the body produce collagen, a structural protein found in the skin and connective tissues.
They also contain magnesium, an essential mineral that supports overall body function.
