## Avani+ Luang Prabang Hotel

Boutique chic in the heart of a UNESCO World Heritage town.

### SEE LUANG PRABANG IN A NEW LIGHT

Avani+ Luang Prabang Hotel is a modern boutique hideaway with a storied history. Formerly the site of French officer quarters, then home to a landmark local hotel, these peak-position grounds in the heart of the old town now welcome you with classic-contemporary style – design that’s a breath of fresh air while remaining true to the town’s colonial architectural heritage.

### LOCATION, LOCATION, LOCATION

Join the locals in alms giving at dawn as saffron-robed monks file silently by. Explore the dozens of temples that surround the resort between the bends of the Mekong and Khan River. Avani+ Luang Prabang Hotel's central location lends easy exploration by foot or resort bicycle. Cycle picturesque streets of a UNESCO World Heritage town, taking in temples, cafes and artisan stores.
