LOCATION

Avani Kalutara Resort has a remarkable location, built on the mouth of the Kalu River, facing the lagoon in one direction and the Indian Ocean on the other. These spectacular views and signature Avani service and style are just an hour south of the island's capital Colombo and a 55-minute drive from Bandaranaike International Airport.

WEATHER

As Sri Lanka straddling the equator, we enjoy a year-round warm tropical climate consisting of distinct wet and dry seasons with temperatures ranging between 25°C and 32°C accompanied by light ocean breezes. Two distinct seasons are experienced. Expect intermittent rain showers between May and September, followed by the dry season from November to April. It is mostly sunny with intervals of clouds and sunshine with a brief shower or two. Since we are located in the tropics, we boast warm and humid weather conditions throughout the year.
