

ENVIRONMENTAL POLICY

Our Commitment

Journey to Protect Mother Earth for Future generations...

We at AVANI Kalutara Resort team is passionate about ensuring that we are environmentally responsible. We are therefore committed to reducing our environmental impact and continually improving our environmental performance as an integral and fundamental part of our business strategy and operating methods.

In delivering this commitment, AVANI KALUTARA will endeavor to:

- Meet or exceed applicable environmental legislations, environmental standards, best practices, and other requirements.
- Promote efficient use of materials and resources across our operations, especially water and energy.
- Work diligently to minimize our waste stream by following 3R and conserving natural resources, particularly through energy and water conservation.
- Set sound environmental and social objectives and targets, integrate a process of review and issue progress reports on a periodic basis.
- Apply the principles to improvement in respect of air, water, noise, soil, thermal and light pollution from our Resort premises.
- Continually identify opportunities for improvement of our environmental management system.
- Promote awareness and educate employees, suppliers, our guests on environmental issues and sustainable practices.
- Conduct environmentally preferable procurement policies in efforts of environmental protection at local and national levels.

This policy is communicated to all staff members and stakeholders and reviewed and updated frequently.
