LONDON INN  
Signature  
Cocktail

## **L**ondon Girl THB 380

The cocktail's name comes from Vesper Lynd, a character in the novel Casino Royale. The recipe was created and crafted by Ian Fleming, and this cocktail became a signature of James Bond."

- Beefeater • Ruang Khao Silver • Homemade vermouth Combine (Blanco vermouth, orange peel, Lemon Peel, Raisin, Honey, Lemon Juice)
- Twist Lemon peel, Edible Flower

## **O**'Clock THB 380

"In the 1930s in London, England, 'Knocker Upper' referred to a group of people who made a living by waking others in the morning. They would go from house to house with a small wooden tube to blow dried peas and knock on the windows to wake their clients. This is somewhat akin to how, in our childhood in Isaan, our mothers would wake up early to cook rice and prepare food, and then wake us up every day to go to school."

- Meakhong • Malibu • Homemade Sticky rice syrup • Citric Acid
- Garnish white Coconut Flavored Sticky Rice on top Group Peanut

## **N**ughty THB 380

The similarity between London and Isaan is that both have famous characters. For example, while London has Mr. Bean, Isaan has Siang Mieng. Both characters are mischievous and always bring laughter to their audiences.

- Bangyikhan • Raspberry Syrup • Orange Juice • Lime Juice • Top Sprite
- Garnish with Fresh Rosemary, Edible flower, Blueberry

## **D**iscover THB 380

The subway project connecting Heathrow Airport to London's financial district unearthed an artifact: an ancient Roman coin dating back to 1902 AD. This indicates that southern England was under Roman rule at that time. Similarly, dinosaur bones discovered in Khon Kaen in 1980 show that Khon Kaen was once a dinosaur habitat.

- Tequila • Malibu • Grenadine • Lime Juice • Egg White • Syrup
- Sprinkle beetroot powder and draw patterns.

## **O**h La Nor THB 380

In Isaan, especially among the elderly, people often exclaim "โห้ละ-น้อ" (Oh, really!) when something surprising or incredible happens. In comparison, people in London or other English-speaking countries might say "Oh my god." Although the languages are different, the expressions share a similar sense of astonishment.

- Bourbon Whiskey • Jasmine rice Syrup • Lemon Juice • Mint leave
- Garnish with spring Mint

## **N**ifty THB 380

"The traditional clothing of both the English and Isaan people in the past had distinctive features that clearly reflected their respective cultures."

- Gin • Rose syrup • Peach syrup • Lime Juice • Garnish with Rose.

## **I**n Law THB 380

"Nowadays, we see many foreigners relocating to Thailand and marrying Thai women to spend their retirement, as they enjoy the atmosphere and culture of the country."

- Phraya rum • Jameson • Honey combine ginger • Lemon Juice
- Garnish with gold paper.

## **N**avigate THB 380

"This cocktail will take you on a journey from London to the Isaan countryside, blending the essence of London with the aroma of our homegrown rice fields."

- Gin infuse Rice Paddy Herb • Homemade Sticky rice • Top Tonic Water
- Garnish with Fresh Paddy herb

## **N**orth E/W THB 380

"The striking similarity between London, located in the southeast of England, and Isaan, situated in the northeast of Thailand, is truly remarkable. This cocktail perfectly embodies the fusion of the distinct identities of both London and Isaan Khon Kaen"

- BangyiKhan • Watermelon syrup • Top Draught Beer • Orange peel twist
