LONDON INN Signature Cocktail

London Girl THB 380

This cocktail is a twist on the Vesper Martini, which originated in 1953. The cocktail's name comes from Vesper Lynd, a character in the novel Casino Royale. The recipe was created and crafted by Ian Fleming, and this cocktail became a signature of James Bond.

Beefeater, Ruang Khao Silver, Homemade vermouth Combine (Blanco vermouth, orange peel, Lemon Peel, Raisin, Honey, Lemon Juice)

O'Clock THB 380

In the 1930s in London, England, 'Knocker Upper' referred to a group of people who made a living by waking others in the morning. They would go from house to house with a small wooden tube to blow dried peas and knock on the windows to wake their clients. This is somewhat akin to how, in our childhood in Isaan, our Mothers would wake up early to cook rice and prepare food, and then wake us

Mekhong, Malibu, Homemade Sticky rice syrup, Citric Acid Garnish white Coconut Flavored Sticky Rice on top Group Peanut

Naughty THB 380

The similarity between London and Isaan is that both have famous characters. For example, while London has Mr. Bean, Isaan has Siang Mieng. Both characters are mischievous and always bring laughter to their audiences.

Kulov Vodka, Raspberry Syrup, Orange Juice, Lime Juice, Top Sprite

Discover THB 380

The subway project connecting Heathrow Airport to London's financial district unearthed an artifact: an ancient Roman coin dating back to 1902 AD. This indicates that southern England was under Roman rule at that time. Similarly, dinosaur bones discovered in Khon Kaen in 1980 show that Khon Kaen was once a dinosaur habitat.

Tequila, Malibu, Grenadine, Lime Juice, Egg White, Syrup

Oh La Nor THB 380

In Isaan, especially among the elderly, people often exclaim "โอ้ละหน้อ" (Oh, really!) when something surprising or incredible happens. In comparison, people in London or other English-speaking countries might say "Oh my god." Although the languages are different, the expressions share a similar sense of astonishment.

Prakaan Peated Malt Whisky, Jasmine rice Syrup, Lemon Juice, Mint leave

Nifty THB 380

The traditional clothing of both the English and Isaan people in the past had distinctive features that clearly reflected their respective cultures.

Gin, Rose syrup, Peach syrup, Lime Juice

In Law THB 380

Nowadays, we see many foreigners relocating to Thailand and marrying Thai women to spend their retirement, as they enjoy the atmosphere and culture of the country.

Phraya Elements Rum, Jameson, Honey combine ginger, Lemon Juice

Navigate THB 380

This cocktail will take you on a journey from London to the Isaan countryside, blending the essence of London with the aroma of our homegrown rice fields.

Gin infuse Rice Paddy Herb, Homemade Sticky rice, Top Tonic Water

North / Southeast THB 380

The striking similarity between London, located in the southeast of England, and Isaan, situated in the northeast of Thailand, is truly remarkable. This cocktail perfectly embodies the fusion of the distinct identities of both London and Isaan Khon Kaen
