A dark, textured spherical object, possibly a bath bomb or a piece of soap, is positioned on the right side of the frame. It sits on a surface of fine, light-colored sand. To the left of the sphere, the sand is disturbed, creating a series of concentric, wavy ripples that curve around the base of the object. The background is a soft, out-of-focus expanse of sand, with a gentle gradient from light to slightly darker tones. The overall composition is minimalist and serene.
