Your Moments

WEDDING BROCHURE 2023

Where the Magic Happens

Write the first chapter of your story as a married couple in the most vibrant of tropical colours. Celebrate your special day surrounded by iconic landscapes, discover local flavours and let our team of dedicated event specialists take care of every need. Raise a toast to new beginnings as you deepen a lifelong bond surrounded by your nearest and dearest.

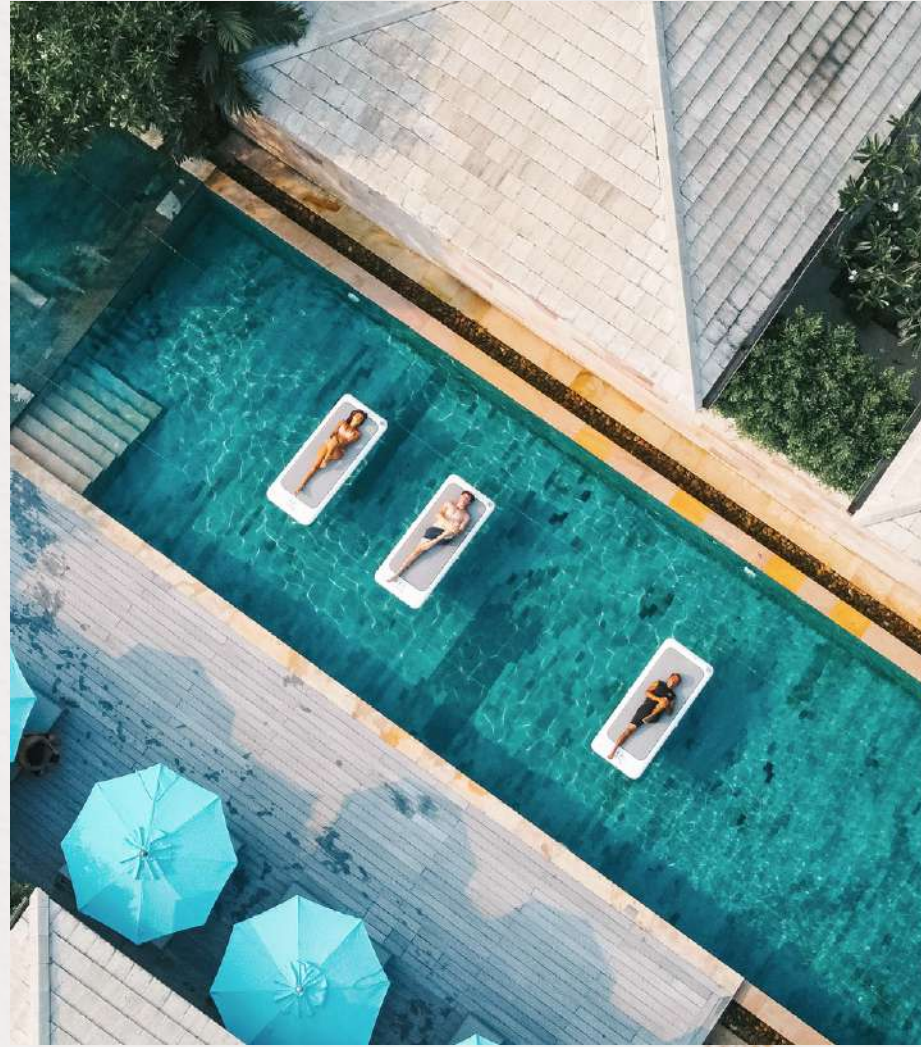

Do Not Disturb

We offer a calm presence, even in the whirlwind moments of your wedding day, so that you can be at ease, focusing on each other. Between celebrations, experience a sense of privacy, peace and belonging in a gorgeous sunset-facing villa where you can hide away from the world, while your wedding party can choose from light-filled suites, spacious rooms and a collection of villas to stay close together.

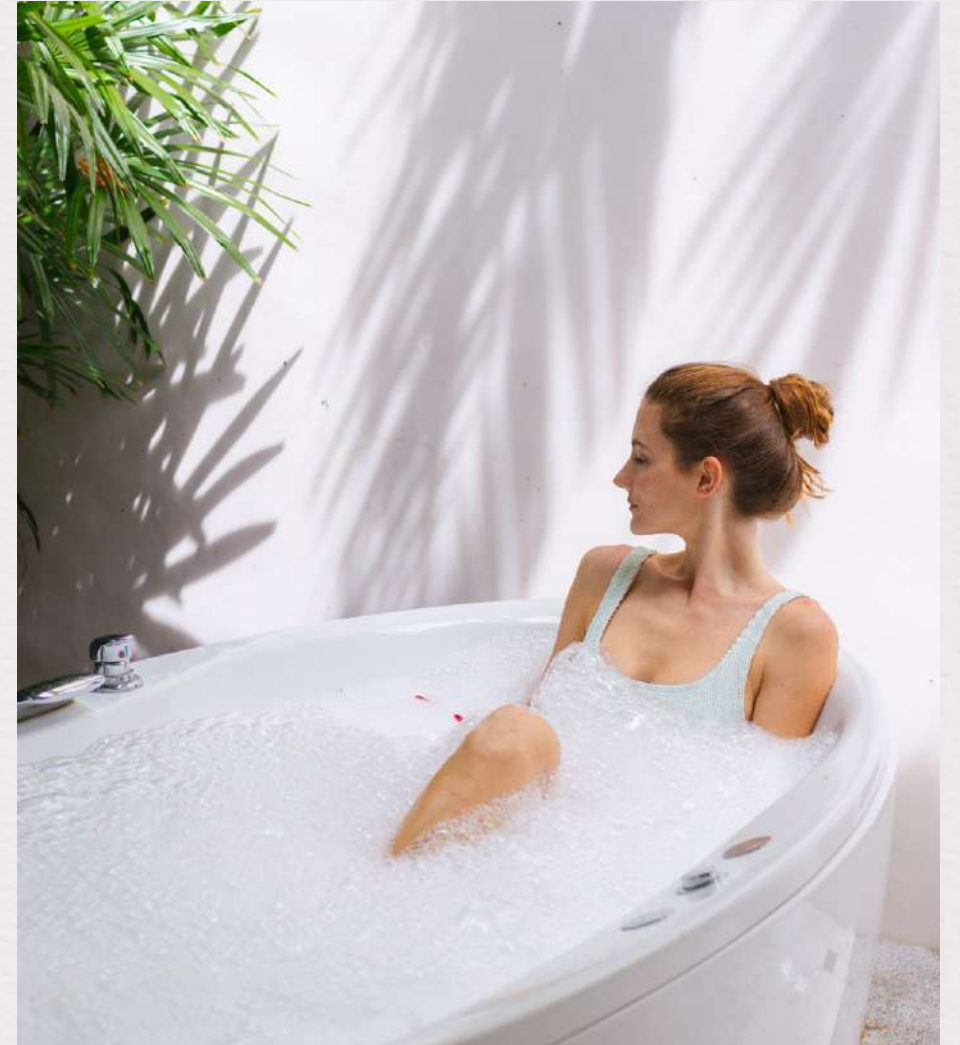

Create

What will it be? A classic island experience with a sandy aisle strewn with rose petals and a wedding arch festooned with tropical flowers? Or a dramatic overwater ceremony atop a glass platform followed by a cinematic wedding reception at the pool deck? We have endless options for every vision and season.

Avani Spa

Before the big day, check yourself into our jungle spa for a beachside massage and beautifying facials for that radiant bridal look. After the ceremony, carve out some you-time with a romantic bath soak, side-by-side massages and other indulgent couples' treatments.

Savour the Moment

Helmed by world-class chefs, our restaurants use delicious local ingredients for an imaginative, Samui-focused menu brimming with fresh seafood, organic vegetables and other seasonal treats. From formal beachside dinners to casual get-togethers over sundowners, our stylish dining and drinking venues are the epitome of island bliss and tropical romance.
