Indian Weddings

That special sparkle that a Desi wedding requires?
We've got it in spades.

From an elaborate Mehndi ceremony and Sangeet party to the reception itself, the resort is your oyster. Buy out the entire property and turn our venues into your private playground. Do your pheras on the beach, dine on authentic Indian dishes surrounded by your nearest and dearest, then dance the night away to live DJ sets. Destination weddings don't get more vibrant than this.

Social Celebrations

With flexible beach set-up options suitable for any occasion, your special moment can be as grand or as intimate as you choose. We work with the best event set designers, entertainers and event planners to bring any theme and vision to life.

- Vow renewals
- Family reunions
- Graduation celebrations
- Engagements

- Birthdays
- Bachelor/Bachelorette parties
