MASSAGE

	MINUTES	PRICE
Malay 'Urut'	60	RM250

This traditional therapeutic massage combines muscle kneading, stroking and pressing techniques, alongside massage oil that is infused with remedial herbs and spices, to relieve sprains, tension and stiffness

Swedish	60	RM250
----------------	-----------	--------------

This classical European massage combines long strokes, kneading, gentle movements, and friction and vibration techniques, to stimulate the nervous system and eases tense muscles

Aromatherapy	60	RM250
---------------------	-----------	--------------

Using a combination of strokes and acupressure techniques, alongside the uplifting benefits of essential oils, this aromatic massage promises a sensual revival and is a definite jetlag tonic

FACIALS

Illuminating Radiance Facial	60	RM290
-------------------------------------	-----------	--------------

The ultimate 'illuminating' treatment, it works to enhance radiance and reveal the beauty of dull, tired-looking complexions. The secret to its effectiveness lies in its professional mask and concentrate, combined with an energising digit pressure technique

Hyaluronic Smooth & fill facial	60	RM515
--	-----------	--------------

An anti-wrinkle solution highly concentrated in hyaluronic Acid, this treatment fills and corrects established wrinkles with a professional double mask. From the first treatment, the skin appears younger and smoother. The complexion is radiant with youth
