Siam Underground by Mahin

Curated by our Food & Beverage Manager, Mahin, this creation is inspired by his passion for uncovering overlooked Thai ingredients with remarkable character. Rooted in the timeless Negroni, he reimagines the classic with finger root—a humble herb hidden beneath the earth, rich in flavour and natural strength. Finished with a delicate lemon-finger root mousse, it reminds us that the finest ingredients, like the most remarkable people, are often waiting to be discovered.

Finger Root Gin, Campari, Sweet Vermouth, Dry Vermouth, Finger Root Honey Cordial, Angostura Bitters, Lemon & Finger Root Mousse (on top)

Veil of Naluephan

Curated by our bartender, Naluephan, this bartender's creation is inspired by his journey behind the bar. It reflects how patience, precision and purpose shaped his craft. Bold, bitter and confidently structured, the drink gradually reveals a delicate elderflower finish—a reminder that even the strongest character can conceal unexpected softness.
